# June exam information / policies

- Students only have to be in school for their scheduled exams/review sessions.
- If students are in school when they are not taking an exam, they should be in the cafeteria or the Library for quiet study (no games or other non-academic pursuits).
- Students are to be in Regular Dress Code for exams, though sneakers / sandals are allowed.
- Students do not need to be in dress code for review classes.
- Students must turn in their textbooks BEFORE taking their exam. Failure to do so may result in the student/parents being charged for their replacement. Textbooks should be returned to Mr. Kidder.
- Some teachers offer review sessions beyond what is listed in the exam schedule. Students should check with their teachers to see when these review sessions are scheduled.
- No cell phones, iPods, etc. are allowed in the Exam Room. These items must be checked in with the proctor BEFORE entering the Exam Room. Students having these devices during the exam face cancellation of exam and/or disciplinary action.
- Buses will pick up students at the usual time in the morning. The schedule for afternoon buses is listed on page 1 with the exam schedule with the following notes:
  - Alden and Williamsville buses will only come at 2:20 every day.
  - Students ready to leave, earlier or later than when buses arrive, will need to provide their own transportation.
  - All students, from every school district, who need bus service home must sign up for their bus in the Main Office BEFORE their exam. St. Mary's calls the districts each day to let them know how many students are taking the bus. If no one signs up, a bus will not be sent.

## School Policies Regarding Course & Exam Failures & Summer School

St. Mary's parents and students should be aware of the following information regarding end of the year failures and summer school.

- All students returning to St. Mary's in September must be current in fulfilling graduation requirements for their grade level. Required course and/or Regents exam failures **MUST** be made up before September.
- St. Mary's policy for passing a course – the overall average must be 65 or above and the final exam grade must be 55 or above.
- In order to receive Regents credit, the Regents exam grade must be 65 or above.
- The Counseling Center will mail failure notices on June 21 to all students who fail required courses and/or exams. This information cannot be given out by telephone. Summer school information will also be included with this notification.
- Registration for most summer school programs begins June 24, and classes for most programs begin July 1.
- Some public school districts offer summer school programs. **Parents are advised to contact their local public school district for specific information about the summer school program for their specific district.** Public school summer programs are available without extra

fees to all private school students who live in the district.

- For students whose public school system does not offer summer school, or for students who would prefer another program, there are summer school programs that accept students from any school district. These programs charge a fee for each course.
- Occasionally a student seeks a private tutor instead of a summer school program in order to make up a course failure. Please note the following:
  - The tutor must be a teacher certified in that subject area. A copy of the certification must be submitted to St. Mary's Counseling Center.
  - The student must meet with the tutor for a minimum of 24 hours for a full credit course and 12 hours for a half credit course. The tutor needs to submit a log of the hours to the St. Mary's Counseling Center.
  - The student must take and pass a final exam (that is provided or approved by St. Mary's) or the appropriate Regents exam. **Those students who need to take a Regents exam must register at their district public school (or another site) to take this exam in August.**
  - The tutor should call St. Mary's

Counseling Center to arrange contact between the tutor and the St. Mary's Department Chairperson to discuss curriculum and the exam.

- Please be aware that this is usually much more costly than any summer school program.
- By July 1 the Counseling Center needs to be notified where course/exams will be made up. This can be done by telephone (683-2349) or email.
- Beginning on June 24, Counselors will be available weekdays by phone 8 a.m. to 1 p.m., to provide assistance.

### SPECIAL NOTE REGARDING MATH COURSE FAILURES:

Please consult with your counselor before enrolling in a summer school math class. Math course names and numbers differ from school to school. It is important that you enroll in the course that best matches the curriculum that you need to make up.

For this reason you may want to consider private tutoring.

## What to do with your St. Mary's stuff?

### Attention graduates:

As you look around your room getting ready for college, are you asking yourself, "What am I going to do with all of my St. Mary's stuff? I have the uniform skort, several polo shirts, and that parking pass hanging in my car. I hate to throw them out, but I'll never need these again."

Well, here's an idea for you — why not donate all of them back to St. Mary's! Bring your donation to the Main Office during regular office hours. The current students would appreciate your generosity.

If you have any questions, please call Mr. Ard at 683-4824. Thank you for remembering us.

### Seniors, keep in touch!

For the past four years, you have been a student here at St. Mary's. Even though you have graduated, that does not mean that you are no longer a part of the St. Mary's family.

And as part of the "family":

- Please keep us updated on the happenings in your life. When you win awards, graduate, marry, etc., please drop us a note so

that we may share the good news.

- We are going to keep you on our *Currents* distribution list so that you may see all of the great things happening here.

When you have accomplishments to share, or if you don't want to receive *Currents*, please e-mail Mr. Kidder at [kkidder@smhlancers.org](mailto:kkidder@smhlancers.org). Good luck with all of your future endeavors.

## "So I Send You" – John 20:21 *Baccalaureate Mass 2013*

The Class of 2013 and their families gathered on May 19 at Salvatore's Italian Gardens in Depew for the celebration of the Baccalaureate Mass and Senior Family Brunch.

At left, Rachael Kruse, Peter Kranz, and Samantha Giardina hold the carnations and letters that they shared with their families. The students also received from the Administration a book on how to keep their faith alive in college.

Below, Sue and Dan Hatfield (parents of Kelsey) offer a Parents' Blessing to the Seniors who were gathered around the altar. Seniors, with the help of celebrant Father Ed Durkin, S.J., then returned the blessing to their parents.

## Joshua Owczarczak receives Marian Award

At its Commencement Ceremonies held on May 22 at Villa Maria College, St. Mary's High School presented the school's Marian Award to East Aurora native Joshua Owczarczak.

The Marian Award, the highest award presented to a St. Mary's graduate, recognizes the senior who has shown friendliness to all people, willingness to help others, leadership, and active support of the school. It is the only award presented at Graduation.

The nominees for this award are selected by their classmates. After the nominees are chosen, they are asked to write an essay explaining what their four years at St. Mary's High School have meant to them and their personal growth. The faculty and staff then vote

for the winner of the award.

"What I have ultimately taken from St. Mary's is the meaning of family," Joshua wrote in his essay. "What really makes our school feel at home is the fact that every morning somebody is waiting at the door to welcome you, teachers ask you how your day is, and most importantly that one person's problem quickly becomes everybody's concern. At St. Mary's, people care about you; if you're hurting, we all hurt. That's what family is all about.."

In addition to Joshua, the other nominees were Amber Guizzotti from West Seneca, Mary Hamilton from Lancaster, and Andrew Hoffman from Depew.

As a Marian Award recipient, Joshua received a trophy and a special gift from the school's administration.

# Campus Ministry

## “Who do people say that I am?”

Students are thrilled to see June begin. They know summer is near and vacation is due.

During this time on the liturgical calendar, the Church will celebrate the Feast of the Body and Blood of Jesus (June 2) and the beginning of Ordinary Time II, which will last until November 17, the Thirty-Third Sunday.

Luke’s account of the Multiplication of Loaves and Fishes reminds us and foretells the Sacrament of the Eucharist. Aside from the Resurrection, this is the

only miracle that appears in all four Gospels. The Eucharist, a source of grace and an expression of faith, is the “Real Presence” of Jesus – a mystery to be embraced and to be lived.

The second Sunday (June 9) begins Ordinary Time II. The readings of the Ordinary Time portray Jesus’ teaching, in parabolic form, and miraculous works. The 10th through the 13th weeks will demonstrate the power of Jesus to raise the dead (June 9); the power of Jesus to forgive sins (June 16); the power of Jesus

to be known (June 23), and the power of Jesus to do God’s will (June 30). The question of Jesus to Peter, “Who do people say that I am?” is the same question posed to us on a daily basis.

During this month we will celebrate First Eucharists, Confirmations, Marriages, graduations, and the charism of Fatherhood. We pray for God’s blessings on all these events. We also pray for this time apart, for a blessed, safe, and enjoyable summer break.

Benedicat vos omnipotens Deus.

## Rowe to go to Feds

Congratulations to St. Mary's junior Michaela Rowe who has qualified to participate in the State Federation Track Meet.

Michaela qualified by throwing a shotput 32 feet, 9 inches in the State Catholic Championship.

## Baseball team falls in semifinals

Despite wonderful pitching efforts from seniors Lucas Schaefer and Chris Kwitzer, the Varsity Baseball Team fell to Canisius High School 2-1 in the Msgr. Martin Semifinals.

Lucas was also responsible for the Lancer's lone run of the game. After singling in the bottom of the fifth inning, fellow senior Paul Rath came in to pinch run. Paul scored on a fielding error after a single by Quinn Gill.

The loss brought to an end an awesome season for the Lancers. They took first place in the Msgr. Martin League, finishing with a 10-2 record (15-4 overall).

Junior Jon Andreessen led the team

offensively, having the team's highest batting average and slugging average. Schaefer was the team's workhorse on the mound, leading the team in games, wins, and strikeouts.

Congratulations to this year's seniors – Brian Dudek, Gill, Alex Horvatits, Chris Kidder, Phil Kowalski, Kwitzer, and Rath. Thank you for your hard work and dedication through the years.
