## “Live like people who belong to the light”

Dear Friends,

This time of year is difficult for many people, and often times that includes myself. The cold and the snow seem never-ending. The work keeps piling up. There doesn't seem enough time in the day to get everything done. When it is dreary outside, it is easy to make excuses about not getting something done. Sometimes I feel like two college degrees and continuous professional development have made me a very intelligent woman. Other times, I feel like I don't know a thing. Sometimes the negatives that occur in a day seem to totally outweigh the number of positives.

It would be easy to quit or give up and walk away. But we

have to remember that it is during these difficult days that God is still walking with us. Jesus Christ is our savior and suffered more than we can ever imagine in giving up His life for us, and He gives us strength when we need it to get through these rough days.

The Lenten and Easter seasons are a perfect time to renew our faith and grow closer in our relationship with God. When we feel like we can't find an answer, it may be only a prayer away. Personally, when I am feeling the negative taking control, I need only get out into our hallways and see Christ in the eyes of our students.

As it says in St. Paul's letter to the Ephesians, “Live like

## Transportation Reminder

Parents of St. Mary's students must request transportation services directly from the public school district.

The deadline for submitting written requests for transportation for the 2014-15 school year is April 1.

Failure to submit a request by this deadline might lead to the suspension of bus privileges for those families.

Most school districts require

families to apply for transportation on the district website, though some districts still have forms to fill out and submit. Mrs. Fiume, who coordinates transportation for St. Mary's students, sent letters home recently with more information.

*Note - Students in the Buffalo and Lockport school districts do not need to apply for transportation.*

## Two Lancers honored as Altar Servers of Year

Congratulations to juniors RiverLeigh Martinez and Julie Sobczynski who were recently honored as Altar Servers of the Year by the Diocese of Buffalo.

The two were among over 100 young men and women from throughout the diocese who were recognized for their service and dedication to their parish.

Bishop Richard Malone presented a medal to each of the recipients at a Mass held on March 1 at St. Joseph's Cathedral in Buffalo.

RiverLeigh is a member of Our Lady of Pompeii Parish in Lancaster. Julie belongs to Our Lady Help of Christians Parish in Cheektowaga.

## Be thankful for your parents

*"Honor your father and mother that you may have a long life." Exodus 20:12.*

To honor one's parents, biblically, portrays attitudes of caring, respect, praise, and obedience. By extension the commandment requires us to be respectful of all who have been given the charism of authority.

It requires submission to God's law: love God, your neighbor, and yourself. Obedience to civil law that contradicts divine law is not obligatory.

Honoring our parents can be a lifelong challenge. The relationship changes over time as we mature, become parents, and become "parents to our parents," as they age and become dependent on us. It is with God's grace that we are

able to make this transition. It requires sacrifice, and sacrifice may be difficult and irksome, but love makes it possible, and perfect love makes it a joy.

To honor our parents means to be thankful for the sacrifices of time, talent, and treasures they have made. To honor also means to forgive their humanness and the needs we had but were never perceived or met. Parenting is the one job that by the time it's learned, the job is over.

Mark Twain wrote, "When I was eighteen, I thought my father was the most ignorant man in the world; when I was twenty-one I was amazed at what he learned in three years." It is a matter of perception, to honor and obey.

Benedicat vos omnipotens Deus. twf+

## Gowns available for purchase

Bridal Chateau provided the Fashion Show, *Wrapped in Fashion*, with several gowns which will be modeled by our students on April 3. These gowns are all available for purchase at a cost far below retail, and the money raised will benefit the students of St. Mary's High School.

If you are attending the show, all dresses will be available for purchase immediately following the Fashion Show. Please see a Fashion Show volunteer for available styles and sizes. There will be additional dresses in various sizes available that were not modeled in the show. All dresses can also be purchased in the days following the show.

## Belong to light

*(Continued from page 1)*

people who belong to the light, for it is the light that brings... goodness, righteousness, and truth." (Eph 5:8-9) This Lenten season, I hope you will join me in working hard to be stay in the light and to spread the light to others. I know it is sometimes very hard to find the light, but I also know that we have the Holy Spirit there to guide us to the light whenever we need direction. As we dig in our heels and prepare for the difficult end of the school year, that light is essential for giving us the strength, the energy, and the inspiration we need.

On behalf of the Board of Trustees, Administrative Team, and our faculty & staff, we wish all of the Lancer families a very Happy Easter!
