February 20, 2018

Dear Parent/Guardian of 2018-2019 Grade 12 Student,

As of September 1, 2016, all public and private school students entering grade 12 must be fully vaccinated against Meningococcal Disease to attend school.

Two doses are required before the start of their 12th grade school year. The only students who do not need a second dose before grade 12 are those who received their first dose on or after their 16th birthday.

*Per the NYS Health Department, students whose Meningococcal Vaccine is not up to date **WILL NOT BE ALLOWED TO ATTEND SCHOOL UNTIL THEY ARE FULLY VACCINATED.** **This will also prevent a student from participating in any sport or extra-curricular activity while they are held out of school.***

Please have this form completed when your student receives his/her vaccination. This form may be faxed to the Health Office 683-4958 or returned prior to the first day of school. Thank you for your attention to this matter and feel free to contact me at school, 683-4824 ext. 220, if you have any questions.

STUDENT NAME _____

MENACWY VACCINE DATE _____

MENACWY BOOSTER VACCINE DATE _____
