

St. Mary's High School offers a series of courses over the summer as part of our "Get Ahead" program. The goal is to give students an opportunity to complete courses in areas of interest without the burden of extra courses during the school year.

Attendance Policy

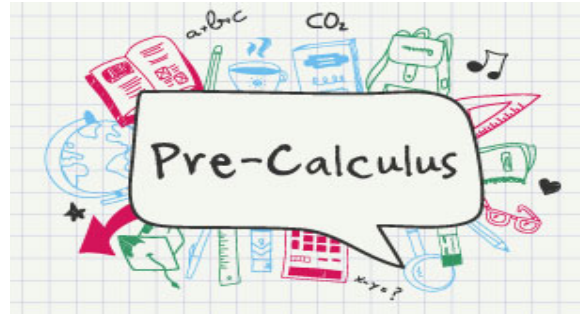

Students may not be absent more than **ONCE** during the course schedule. Absences undermine the academic integrity of the course. Seat time is essential to delivering the content necessary for mastery of the course. The attendance policy will **NOT** be modified or adjusted to meet personal needs or vacation schedules.

Textbooks and Materials

Textbooks / Workbooks will be provided for all courses.

Dress Code

The Accelerated Learning Program is an academic program and therefore student attire needs to correspond. Collared shirts and slacks are acceptable as are non-athletic shorts. Appropriate tee shirts are also acceptable as long as they have sleeves. Young ladies may also wear shorts or skirts at knee length. Tank tops and low-cut tops are not permitted.

1 Credit – This Course will meet the St. Mary's High School Pre-Calculus requirement and prepare students for AP Calculus.

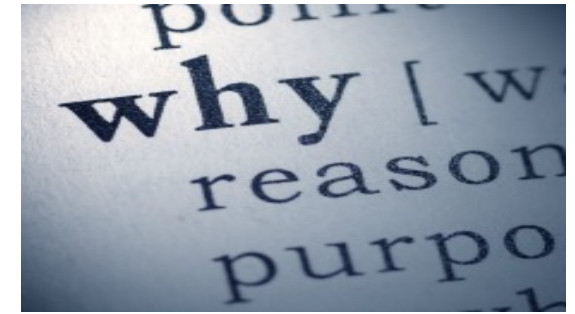

Topics of study include; functions, exponential and logarithmic equations, trigonometry and matrices.

Students enrolled in this class may register for AP Calculus in the fall. Final approval for AP Calculus dependent upon completion of Pre-Calculus.

Stipulation: Students must enroll in either AP Statistics or AP Calculus upon successful completion of this course.

Requirements:

Eligible students must have earned at least an 80% on the Alg. II CC exam and earned an overall average of 85% in that course.

The St. Mary's High School "Get Ahead" program allows students to accelerate their course load in order to earn more high school credit.

Want to take that extra math? Here is your chance.

Pre-Calculus allows students the opportunity to "get ahead" and then push for AP credit in Statistics and Calculus during the school year.

How to Apply

Interested students should check with their guidance counselor first.

Forms can be downloaded via the St. Mary's High School website at smhlancers.org/summer or picked up in our Main Office.

Payments and forms should be submitted to Mr. High School
