

Good afternoon everyone... and Happy Holy Week!

It's Mr. Junik here with my Tuesday update!

Well, let's start with the big one! New York state has cancelled Regents exams! All students enrolled in a Regents exam course will be exempted from the NYS exam.

However, Schools have only been cancelled through April 29th. NOT through the end of the year!

Students can only earn credits through the passing of all course requirements!

We do not yet have all the answers we need from the State. What is important to note is...

Grades have not stopped!

We will be keeping the status quo... we will keep assigning work and grading submissions.

As soon as NYS gives us more guidance, we will certainly communicate that to you! For right now... Assignment #4 is due on April 19th!

Seniors - We are working on a plan for you to submit all of your Portfolio assignments online... We are working to create a way for you to finish your Phys. Ed assignment... PLEASE DO NOT WORRY! We will figure everything out together!

Lastly, some good news!

I am so proud to announce our Class of 2020 Salutatorian... Jillian Szeluga and our Senior Class Valedictorian Jeffery Zoyhowski!

And... On April 4th, The OHL held its annual draft... Ontario Hockey League teams drafted 3 student athletes from St. Mary's! Congratulations on this life changing accomplishment... Sophomores Brody Crane and Owen Mehlenbacher, as well as Freshman Ryan Comny!

Well Done!!

On behalf of everyone at St. Mary's High School... we hope you have a happy, safe, healthy, and faithful Easter Week!

Stay Safe, God Bless and Happy Easter!
