

5/19/20 Update

Hey everyone, Mr. Junik here with your Tuesday morning update.

Happy birthdays go out to:

Alyssa Okon and Ms. Kawa who have birthdays today along with  
Danny Rhodes  
Lily Lauck  
Gabby Gambino  
Indianna and Krystal Vealey  
Shelby Fisher  
Jake Dantonio  
Aiden Murty  
Collin Barry  
Charles Stansbury and  
Mrs. Tytko... who all have birthdays this week.

Ok... let's start with a big shout out to the beginning of phase 1! I don't know what the future holds... none of us do, but man it sure feels like we are starting to make some progress against this thing... That, along with the 70 degree temperatures over the next week, really have me feeling optimistic!

Remember to keep working on your capstone projects  
Make sure to get outside and enjoy the weather  
Be a good family member and do something wonderful around the house  
And try to be a good citizen... pick someone or something and pay it forward with love.

With the holiday weekend, there will be no message on Saturday... so enjoy your week and your weekend. Stay Safe and healthy! Goodbye
