ST. MARY'S HIGH SCHOOL • LANCASTER, NEW YORK  
WINTER 2021

## A MESSAGE FROM HEAD OF SCHOOL KEVIN KELLEHER '89

Dear St. Mary's Family,

I hope this letter finds you well. It goes without saying that things have been different this past year. With all that has happened, I am proud to say that St. Mary's High School has provided our students with a safe face-to-face learning environment since September. I am also so very proud and humbled by our academic team, led by Dean of Academics Keith Junik, who have not only navigated the in-person learning environment, but have accommodated all students with a virtual learning option as well. Our entire staff has proven to be a great asset to the school in keeping things running.

With the academic side of the school keeping our students engaged and safe, we are thrilled to report that with new guidelines released by NYS, our Winter and Spring athletes will have a season. This past September, Zach Weiss '07 was named the new Athletic Director of the school. Zach is no stranger to St. Mary's. As an alumnus, he has been an essential part of our Athletics and Marketing efforts for the past four years as a staff member and the past eight years as the Head Coach of the Wrestling Program.

Due to the pandemic, we have had to make many changes, including the move of our **Lancer Gala** from February to June 25, 2021, in order to hold the event in-person. The Gala will be the opening event of our **Reunion Weekend June 25-28, 2021**. While we are featuring the classes ending in 0, 1, 5 & 6, all alumni are invited to attend the weekend's events. More information can be found inside.

Recognizing the skyrocketing costs of a college education, we continue to do our part to try and keep St. Mary's tuition as affordable as possible. To do so, we need your help! We rely more and more on your donations to provide assistance to both incoming and present students. This year, we have been graced by several alumni who have helped us start or add to our endowment fund. Please take a moment and consider yours and your family's legacy with a gift to St. Mary's.

Finally, we are kicking off our **"21 for 21" Campaign**. The majority of you reading this newsletter are alumni of the school. Over the next 12 months (January - December 2021), **we are challenging each graduating class to invest in St. Mary's and achieve a 21% class participation rate.**

For those that already donated in 2021, **THANK YOU!** For those that haven't yet, please consider adding us to your charitable giving. I can assure you, investing in the future leaders of our community is money well-spent with a lasting impact. So remember ... **"21 for 21"** and consider a gift now!

My sincere thanks to all those that have been keeping the "Lancer Spirit" going strong!

Stay safe. Keep the faith. God Bless.

► **TONIGHT'S FEATURE FILM:**

**THE CLASS OF 2020 GRADUATES**

The **Class of 2020** got the send-off they deserved when St. Mary's took over the Transit Drive-In to celebrate our 116<sup>th</sup> Commencement Ceremonies on May 28, 2020. Complete with an original 90-minute movie of the ceremony, featuring everyone's favorite SMH staples: Valedictorian, Salutatorian, and Class President addresses, a speech from the Head of School and Dean of Academics, and even a one-of-a-kind Commencement Address given by the faculty and staff, graduates and families were thrilled to be a part of such an event. Each graduate also received an award show-worthy "swag bag" courtesy of the generosity of **Don Denz '76** to complete the night.

► **ST. MARY'S NIGHT IN THE VILLAGE**

The Village of Lancaster is experiencing a revitalization! The new West Main Street Project and Central Avenue have welcomed a host of new vendors and restaurateurs, and soon, recreational space and luxury apartments will complete the new feel to the area.

On select nights in December, St. Mary's hosted **A Night in the Village**, inviting Lancer families and those from our neighbors at St. Mary's Elementary to shop local and support the businesses in the Village during the holiday season. These shops and restaurants stayed open late and even offered discounts for our families for coming in! We plan on continuing this great relationship with the Village and for more nights like this in the future for St. Mary's families and alumni.

# TEACHING IN A PANDEMIC

Virtual instruction – Google Classroom, Zoom, Schoology – the list goes on and on as to the new technology and tools our teachers have had to master over the past year in order to ensure our students receive the highest level of education possible - no matter the circumstances. In March 2020, St. Mary's closed its doors to in-person instruction and transitioned to all virtual classes. Then, this Fall, St. Mary's was thrilled to open its doors back up to students for in-school learning five days a week after equipping the building with proper safety measures, including masking all students, staff, and visitors, socially-distanced classrooms, and installing hand sanitizing stations.

Over the summer, St. Mary's upgraded its bandwidth infrastructure to accommodate greater Internet usage. As part of the 1:1 Chromebook program, students use their devices to work on assignments and take exams. They are also able to log in and take a class from anywhere, as classes are live-streamed via Google Meet. All of these measures have ensured the overall level of academic performance of students remains incredibly high.

St. Mary's also implemented a comprehensive Covid-19 testing program, testing every student and staff member after Thanksgiving break and following NYS guidelines to test a certain percentage of the school population right in the Athletic Center. These tests ensure students (whose parents have consented) are able to receive an in-person education.

Despite so much looking so new, we try to keep some things central to a St. Mary's education, including nourishing the mind and spirit. Campus Minister Deacon Robb Ciezki has celebrated Eucharistic Prayer Services with each and every religion class several times throughout the Fall semester, ensuring students can continue to receive the healing of Jesus through the Body of Christ.

While we may not be able to gather as a school family right now, we still try to incorporate fun into the school weeks with dress down days each Friday and Buffalo Bills pride days on Mondays.

## ZACH WEISS '07 NAMED DIRECTOR OF ATHLETICS

Zach Weiss '07 is the new Athletic Director of St. Mary's High School, effective October 2020.

As an alumnus of the school, Weiss has been a member of the St. Mary's Wrestling coaching staff since he graduated and has been the Head Coach of the program for the past eight years. As a Lancer wrestler himself, he finished his career as one of the most decorated athletes in the history of St. Mary's Athletics. Weiss has also been a part of the St. Mary's Football and Men's Lacrosse coaching staffs for the past two seasons.

Weiss is a graduate of Medaille College with a degree in Media Communications and has worked at St. Mary's for the past three years in the Marketing and Athletics Departments, helping the school grow as a whole.

Weiss takes the reins of an athletic program at an unprecedented time, not only in high school athletics, but in the world as a whole.

Weiss coaches Matt Ash '20 at the Catholic State Wrestling Championships. Ash finished second in his weight class for the tournament.

Despite these new challenges, St. Mary's Athletics are synonymous with winning on the field, court, and track, capturing 22 championships in the last four years alone and dozens more in the decades before. "St. Mary's provides the opportunity for all to contribute to our success, from the players on the court to the alumni in the stands. Once you become a part of the St. Mary's Athletics family, it stays with you," Weiss said.

## ATHLETICS IN A PANDEMIC

For so many Lancers, athletics are a huge part of their high school experience. There is no question that the last year has been extraordinarily difficult for our student athletes.

Spring sports came to a screeching halt in their first week of practices and never got back up and running. Fall sports were limited to just soccer, golf, and cross country. The rest of the Fall and Winter sports seasons will be cut to just a few short weeks.

There were still some highlights for this year's Fall sports that were able to play:

- **Women's Varsity Soccer** had a fantastic season, falling just short of a second consecutive championship, losing to Nardin in the Finals. Junior **Shae O'Rourke** was named All-WNY Player of the Year and was the Co-Player of the Year in the Monsignor Martin. She finished the season with 39 goals in just 10 games and increased her school-record total to 115 goals.
- **Men's Varsity Soccer** is a young team that made great strides in their first season in the A Division.
- **Cross Country** won several meets, and junior runner **Margaret Nawojski** was named to the All-Catholic Team.
- **Golf** took home the league championship in the A Division, thanks to another stellar performance from sophomore **Jake Dantonio**, who also defended his individual All-Catholic title. Junior **Tyler Dantonio** and sophomore **Alex Standish** also joined Jake on the All-Catholic team this year.

# TWO ST. MARY'S LEGENDS RETIRE

## ► MR. TOM FAY

**Mr. Tom Fay** has decided to retire after 52 years of teaching - 41 of which have been spent at St. Mary's. Mr. Fay has taught over 5,000 students throughout his career in Math, Religion and Latin, and he has a story to go along with just about every one of those students!

## ► MRS. EVELYN SKALSKI

Not to be outdone, **Mrs. Evelyn Skalski** has also decided to ride off into the sunset after 42 years of service to St. Mary's, working in the cafeteria. You could feel the love that Mrs. Skalski had for every student that came through her lunch line, and that spirit is what makes St. Mary's home to so many.

There are no words to express our gratitude for all of the life lessons and memories Mr. Fay and Mrs. Skalski have blessed our students with for over 40 years. We wish them nothing but a long, enjoyable, peaceful retirement!

*Do you have a story about Mr. Fay or Mrs. Skalski? Please share it with us by emailing Marketing Director Amy Kawa at [akawa@smhlancers.org](mailto:akawa@smhlancers.org).*

## LANCERS HOCKEY WINS STATE TITLE

In the last high school sporting event this winter before the pandemic hit, St. Mary's defeated Chaminade 4-1 to capture the ever-elusive State Catholic High School Athletic Association Championship.

The Lancers trailed 1-0 after the first period but scored twice in the second to take the 2-1 lead on goals by **Nick Reif** and **Cole Young**.

**Dan Reif**, Nick's brother, also scored in the third to make it 3-1, and **Connor Payne** finished the scoring for the night, capping off the Lancers' State Championship!

*Coach Mark Dantonio poses with his son, senior captain Sam Dantonio '20 after winning the championship.*

## LANCER GALA • SAVE THE DATE JUNE 25, 2021

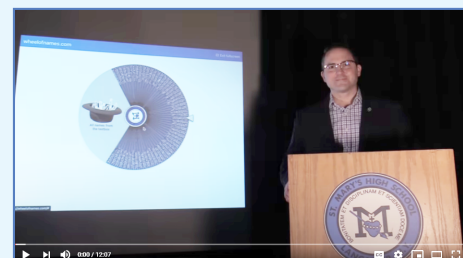

**RESCHEDULED:** St. Mary's premiere fundraising event of the year will now kick off the 2021 Reunion Weekend!

It's a fabulous evening of fun, cocktails, auctions, prizes, and live music all to support St. Mary's students and programs. Please plan to come with your friends to participate in the biggest fundraiser of the year! Watch for tickets and sponsor information in the coming month.

**NEW THIS YEAR:** Purchase your tickets online at [smhlancers.org](http://smhlancers.org).

We are also collecting auction items to be featured during both our silent and live auctions. To host a gift-gathering party or to donate items, please contact Mark Tramont, VP of Institutional Advancement at [mtramont@smhlancers.org](mailto:mtramont@smhlancers.org) or 716.683.4824 x. 237. You can also find donation forms and more information online at [smhlancers.org](http://smhlancers.org).

## SMH EVENTS GO VIRTUAL ... 2020 BASH FOR CASH

In keeping with all-things-virtual, the **2020 Bash for Cash** went to the World Wide Web. We are pleased to report that families and friends of current and past students, as well as many alumni and friends of the school, did not let us down!

We would like to thank all who participated for bringing this event over the top. **We increased ticket sales by 10%!** Also, a special thanks to **Amy Kawa, Zach Weiss**, and our emcee **Doug Buczak** for creating the format. We are certainly hopeful to be back together for our usual Bash in 2021!

# Alumni Spotlight

## ► PATRICK O'BRIEN '98

**Patrick O'Brien '98**, has certainly been busy since he left SMH. He is the Founder and CEO of LenderLogix which continues to grow and thrive.

Patrick worked as a residential mortgage banker for a large regional financial institution for 15 years, was a successful retail loan originator, and understands the importance of the lender/realtor relationship. Therefore, Patrick created LenderLogix from a banker's perspective.

Patrick has a passion for process improvement and led initiatives to bring efficiencies to the mortgage process. He's advised on several major LOS implementations and consulted throughout design, testing and implementation.

## ▶ ALUMNI SPOTLIGHT

Lancer alumnus **Andrew Adolf '09** is running for Trustee of the Village of Depew, NY.

Andrew believes he has what it takes to affect positive change in the Depew community. As a member of the Depew Planning Board, he has already made contributions to the community through the approval of important projects, including a future solar farm on an old landfill in Depew. For those who are Depew residents, Election Day is Tuesday, March 16, 2021, from 12 to 9 p.m. at Depew Village Hall (85 Manitou St.).

For more information on the Citizens for Change, you can visit their Facebook page or website at [www.citizens4changedepew.com](http://www.citizens4changedepew.com)

## ▶ ALUMNI SPOTLIGHT

Dr. Norbert Myslinski '65 (center) with **Kaitlyn Kowalewski '17** (right) and his nephew Martin Mlodozieniec (left), presenting her with a scholarship awarded each year to a graduating senior looking to pursue a Nursing Degree in college. The scholarship honors Norbert's wife, Patricia (Byrne) '65, who passed away in 1980.

The University of Maryland System bestowed the 2020 Board of Regents Faculty Award on Dr. Norbert Myslinski, a professor at the University of Maryland Department of Neural Sciences.

The award recognizes his excellence in public service and is the highest honor that the System bestows on faculty members statewide.

Dr. Myslinski's international innovative programs in more than 60 countries have inspired young men and women to enter the field of neuroscience to help treat and find cures for brain disorders. He is graduate of St. Augustine's Elementary School and St. Mary's High School and his work "builds better brains to fight brain disorders."

## ▶ ALUMNI SPOTLIGHT

After graduation from St. Mary's, **TaShauna Goldsby '02** attended Lincoln University and earned her degree in Chemistry with a minor in Environmental Health Sciences. She then went on to the University of Massachusetts Amherst for her Masters and the University of Connecticut to earn her Ph.D in Public Health.

Professionally, TaShauna recently joined Regions Bank in August of 2020 as the Vice President of Data Governance. Prior to Regions, she was appointed by Mayor Randall Woodfin as the Director of Grants and Strategic Partnerships for the City of Birmingham, AL, in 2018. While there, her work was instrumental in establishing the city's health report card, known as Shape Birmingham.

TaShauna also recently graduated from Leadership Birmingham, which ensures leaders in the community are educated about current issues and challenges in the region by bringing together a group of 50 leaders each year from diverse backgrounds.

# ST. MARY'S HIGH SCHOOL Legacy Scholarship

## ▶ ST. MARY'S HIGH SCHOOL IS A CONSTANT

Since 1904, St. Mary's High School has withstood world wars, natural disasters, and financial crises, and now, a pandemic. Our history has proven that what is inside of us is stronger than what is in front of us.

Generation after generation, St. Mary's High School continues to be a shining light for so many. It is where we were challenged in the classroom, reflected on our beliefs during liturgy, broadened our athleticism on the field, and shined on the stage. It is a place where we forged life-long friendships and, in many cases, met our spouse and began our own traditions.

## ▶ THE LEGACY OF ST MARY'S DEPENDS ON YOU.

For 117 years, St. Mary's has been shaping the hearts, minds, and spirits of young people. Legacy gifts are crucial to ensuring the future of St. Mary's for the next generation of Lancers.

Whether you are looking to honor your parents, a special friend or teacher, or looking to help an area of study that has benefited you, we have the perfect vehicle to do so.

We are thrilled to announce the formation of the **SMH Legacy Scholarship and Gift Fund**. Your individual, family, or group's contribution to this fund will help us chart our course for the future.

## ▶ THE NOSEK FAMILY STORY

The **Noseks** have been part of the St. Mary's Family since the oldest brother Anthony (Tony), entered the school as a freshman in 1960. Here, he met his wife Mary (nee Schill) '64 and formed other life-long friendships. His twin brothers, Walter and Stephen (Steve), also graduated from St. Mary's in 1972. In keeping with the family tradition, Steve also met his wife, Eileen (nee Suchyna) '73, at St. Mary's.

Through the generosity of **Tony '64 & Mary '64, Steve '72 & Eileen '73, Walter '72 & Cheryl**, an endowed gift program under the **Nosek Family** name has been established.

As Steve stated, *"This is not as much to honor my brothers, our wives, and children as it is a chance to honor our parents."* Tony went on to state, *"Our parents were immigrants from Poland who instilled in us the benefits of an education."*

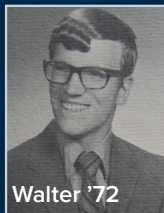

We encourage you to follow the Noseks' lead, and whether it is with a group of your siblings or close friends who are alumni of St. Mary's, **this is the time to create a lasting legacy for generations to come.**

## Other families and friends have followed suit.

Over the past year, we have been blessed to receive gifts from other individuals that have directed their gift to specific areas.

- In Science, **Dr. David Hangauer '70** made a commitment to the school's fund that is to be used for student-directed research projects in the science department. Areas that the students are exploring include: organic vs. non-organic fruits and vegetables, our fish hatchery project, raising honey bees, and others.
- **John Rappi '76** and his wife, Myra, made a donation that is directed towards Technology and the Performing Arts. This has allowed the school to make some much-needed updates to our technology infrastructure and will assist the Theatre Department produce this year's musical virtually.
- We have also had numerous gifts to existing individual family scholarships from family members and friends to:
  - **The Lynch Family Scholarship**
  - **The Richard C. Penfold Scholarship**
  - **The Rev. Msgr. David LiPuma Scholarship**

Please consider establishing a family, friend, or class endowed scholarship or endowed gift. This is your chance to help set the course for St. Mary's High School.

# Our Donors

Thank you to all who donated their time and talents during our '19-'20 fiscal campaign. St. Mary's High School relies on the generosity of our alumni, family, & friends to help us bring our mission to life. We are grateful for your investment in helping us prepare our students for success in college, careers, and life. Thank you!

\* Please note: This Donor Roll represents donations from July 1, 2109 to June 30, 2020. St. Mary's has made every attempt to recognize each donor. In the unfortunate event that a donor was inadvertently left out, please contact Mark Tramont at [mtramont@smhlancers.org](mailto:mtramont@smhlancers.org).

**ALUMNI CHALLENGE FOR 2021**

Can your class make the grade? Can you get 21% of your graduating class to participate at any level with a donation to St. Mary's in 2021?

**Will you meet the challenge?**

**Make your gift now at**  
[www.smhlancers.org/support-smh](http://www.smhlancers.org/support-smh)

**A special thanks to the following who have lent their expertise and support over the past year:**

**Alumni Roll Call:**

We broke down our alumni donors by class year - this reports the number of alumni donors by decade since July 2019:

**1940s:** 5 donors      **1980s:** 37 donors  
**1950s:** 40 donors      **1990s:** 20 donors  
**1960s:** 104 donors      **2000s:** 23 donors  
**1970s:** 51 donors      **2010s:** 10 donors

**Does your employer match gifts to non-profits?**  
If so, your gift to St. Mary's could be doubled.
