UNDERSTANDING ST. MARY'S VOLUNTEER SERVICE HOURS

Our Mission Statement at St. Mary's includes our goal to "form the student's character by giving witness to Jesus Christ." Service to others is a cornerstone of Christianity. We are called to serve like Jesus did. By reaching out to others we increase our understanding, knowledge, and empathy for the world around us. We also respond to our Lord's plea to "Love one another as I have loved you."

As stated in the Saint Mary's High School Philosophy statement, "As a community we believe people have a responsibility to each other."

1. There is a minimum Service Hour requirement for all grade levels as follows:
Freshmen – 10 hours
Sophomores – 20 hours
Juniors – 30 hours
Seniors – 40 hours
***NOTE: Juniors and Seniors – Half of your service hours may be completed within the St. Mary's community. The remainder of your hours must be completed outside St. Mary's. We are available to assist you in finding service opportunities outside of St. Mary's.**
2. Service hours for the 2022-2023 school year may be started on June 30, 2022 and must be completed by May 1, 2023 for seniors and June 1, 2023 for underclassmen. Students must complete all of their mandatory service hours in order to pass their religion course. Seniors will not be allowed to graduate with unfinished service hours.
3. Service to others does not include any service that benefits you personally. For example, if your softball team sponsors a garage sale and you work at that event you may not count that for service hours. The proceeds are benefitting you and your team. The goal of service hours is to benefit others and to experience new opportunities and situations.
4. Household chores for family members do not count as service hours.
5. Babysitting/house-sitting does not count as service hours.
