Dear Friend of St. Mary's High School,

It's time for another season of Lancer Hockey. In the past five seasons alone, St. Mary's has gone to three straight Federation Cup Championships, bringing the whole thing home in 2018, a Catholic State Championship in 2020 and 2022 Monsignor Martin Champions. The two Varsity Club Teams also put together impressive campaigns last year with deep playoff runs and our first ever Girls team. As for the upcoming 2022 – 2023 season, we look forward to building upon the success that each team had.

Over the past six seasons with Coach Mark Dantonio and his staff at the helm, there has undoubtedly been a resurgence of the hockey program at St. Mary's High School. In order to keep this momentum going, we need the support of local businesses and donors like you to help offset the ever-rising costs that go with running one of the premier programs in Western New York. The future success of our players, and the program as a whole, is dependent on the type of equipment, tools, facilities, and training we can provide our teams.

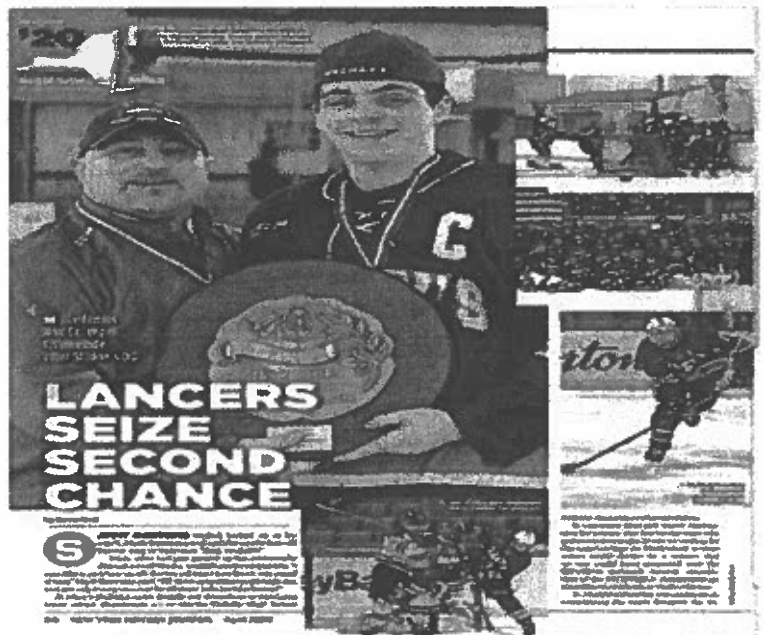

St. Mary's Hockey is still a relatively new program, but our goal is the same as the other programs in the league who have the benefit of rich hockey traditions and wide alumni player bases. Each and every season, we set out to win the Federation Cup and do so with a level of integrity and skill that makes the St. Mary's High School community, our sponsors, and supporters proud.

Hockey is an expensive sport, and a lot of this financial burden falls upon our parents. In order to alleviate some of that stress, we are currently seeking monetary funds for the 2023-23 hockey season to cover things like jersey sponsors, league fees, ice time, player development, technology upgrades, and administrative costs among other things. If you would like to be a part of a winning program and help make this season the best that it can be, please consider a sponsorship of any level. All sponsors will be acknowledged in the hockey team program and on the team's webpage.

Thank you for your consideration and support of the St. Mary's Hockey Program! Here's to a great year!

Go Lancers!
