## **St. Mary's High School's DTSE Spring 2023 Program Laboratory In-Car Instruction Attestation Agreement**

Per the New York State Education Department Office of Career and Technical Education guidelines Driver Traffic and Safety Education (DTSE), I agree and have fulfilled the following requirements:

- The 24-hours of in-vehicle instruction has been completed under the supervision of a parent/guardian holding a valid NY State Driver's License.
- Documentation provided by the parent/guardian to St. Mary's High School's DTSE program regarding proof of successful completion of the 24-hours of in-vehicle instruction is true, accurate, and complete.
- St. Mary's High School's NYSED-approved DTSE program has provided a satisfactory driver training curriculum for the licensed parent/guardian to instruct their student.

Once signed, this attestation shall become part of St. Mary's High School's DTSE document file. This signed attestation fulfills the 24-hour in-vehicle instruction of the DTSE program. Upon successful completion of the 24-hour classroom instruction, a completed and signed MV-285 Certificate of Completion will be released to the student.
