By: Riley Kumrow

The St Mary's girls hockey team defeated Monsignor Martin on Monday, November 28. Spectacular performance from sophomore goalie Avery Hall, racking up 30 saves.

This is the second year for the St. Mary's girls hockey team. Last year there were only 10 skaters and one goalie. This year the roster consists of 15 skaters and two goalies. Coach Gilano, Coach Bri, and Coach Cassidy led the team to a very well deserved win. The hardworking girls came to the game with their game faces on and ready to get their first win. The girls take the ice again on Monday, December 5 against HEWS.

Healthy Tip of the Week!

Life happens. Some days you'll be a little short on time, short on patience, short on sleep, or short on all three together! Don't stress it if you slept in even though you planned to be up early, or had good intentions to avoid added sugar but couldn't resist some pumpkin pie! What matters most is your persistence over time.

Think: progress over perfection.
