Dear Future Lancer,

On behalf of the entire St. Mary's High School Family, including our deep and successful alumni base, I congratulate you on your acceptance into St. Mary's High School.

As an alumnus of St. Mary's, I have been afforded a tremendous opportunity to come back to work at a place that I am very passionate about. Challenging our students to excel and do great things is something I truly look forward to each day.

I am very fortunate to have a dynamic and collaborative leadership team around me. This team, coupled with our very talented faculty and staff, allows us to uphold our mission to provide a first class, faith-based college preparatory education, while affording as many opportunities as possible to become tomorrows leaders. The genuine family feel existing in our hallways, combined with the unique spirit and strong sense of community here at St. Mary's, allows us to accomplish many wonderful things in an enjoyable and supportive atmosphere. We work hard and have fun while we do it.

At St. Mary's, you will of course find a challenging and innovative curriculum, with mandated courses that teach important life skills, like leadership and public speaking. Yet we also pride ourselves on not being solely a learning institution. Your time at St. Mary's will afford you incomparable life experiences as well, full of endless extra-curricular possibilities within the school and in the community: service trips abroad, college tour programs, and senior trips are just a few of the wonderful platforms where students are able to learn about life through travel.

I am honored beyond words to be leading this great school, with its proud history, successful and supportive alumni base, the engaging faculty and staff, and most importantly, its incredibly talented and inspiring students.

Once again, please accept my most heartfelt congratulations on your acceptance. St. Mary's High School graduates have the intellectual ability, the self-confidence of a real world co-ed experience, and the leadership skills to succeed in college and in life. You and your family should be extremely proud of your accomplishments. I look forward to getting to know you and watching you grow and do GREAT THINGS over the next four years! ## Our Role in the Building,

*The Counseling Team works closely together to be able to support each student through a multi-tiered approach. Our department has a curriculum that focuses on elements that contribute to the Academic Success, Social and Emotional Wellbeing, and College and Career Readiness for each student's unique needs.*

### Academic Success Plans:

Academically rigorous, St. Mary's High School strives for the success and support of all our students. While St. Mary's High School does not offer Special Education Services, we do our best to support our students in becoming academically successful. The Academic Support Coordinator works as a liaison between the student, faculty, and the Lancaster School District to implement an Academic Success Plan.

**Any student active with their home district's Committee of Special Education MUST request services through the Lancaster School District regardless of home district before the June 1st deadline. Any request after this date will not be considered for any formal services through Lancaster School District.**

**It is important to please complete and return the Academic Accommodation Form, as well as a copy of the current plan, if your student currently has an IEP or 504 in place. This will allow our Counseling Center to provide pertinent information in preparation for the start of the academic year.**

*Please note, this information is not typically included with information sent to us from your local district.*

### College & Career Planning:

St. Mary's High School is a College Preparatory Program. The College & Career planning curriculum will guide students through a program that builds upon academic success, college planning, and career exploration. Yearly individual meetings with each student will track their academic progress and College & Career planning. Classroom guidance lessons will also occur within each year to touch upon milestones such as the PSAT, SAT, College Research, and the components on the College Application. Students will have the opportunity to meet with the College Representatives here personally on campus, as well as planned College Trips off campus. The College & Career Coordinator will work to ensure students are met with, both individually and in groups, to have the knowledge and skillset to transition confidently into their next steps after graduation.

### Mental Health:

With the growing need of Mental Health awareness and resources, St. Mary's works to establish a cohesive environment of support. A priority of our Mental Health program is to link families with established service providers in the area. This includes Therapists, Psychologists, Psychiatrists, Specialists and Emergency Services. The Mental Health Coordinator works to identify these outside referrals and to provide students with support within the school setting. This includes but is not limited to check-ins, classroom guidance lessons, and student support meetings.

## Freshmen

The goal for incoming students is to support their transition to High School. Counselors meet with our Freshmen early on to touch base, get to know them, and discuss all the opportunities for involvement here at St. Marys. Our classroom push in this year will focus on matching your personality with prospective careers!

## Sophomores

We work with Sophomores to ensure they feel supported and confident as they enter their second year of high school. Find new ways to get involved, and excel in your studies. The Counseling Center will help you with finding more possible career opportunities, and starting the College search.

## Juniors

A big year full of opportunities! Juniors will be meeting individually with their counselor to go over their own unique post-graduate plans. Juniors will have access to our own Digital Library of College Resources, Classroom Push-in Lessons on Application and College Search Engines. Juniors will also attend our College Consortium held here at St. Mary's. Includes invitations to attend off campus College visits and events.

## Seniors

The Counseling Center is here to help Seniors apply to Colleges, track diploma requirements, and taking those next steps into their future. We also offer Individual Meetings, assistance with College Applications after school, Continued College Rep visits, and a Financial Aid Night!

*The Counselors are here to support your students through their time here at St. Mary's. Please do not hesitate to reach out if you have any questions or concerns in regard to how to best assist your child.*

## St. Mary's High School Phone / E-Mail Alert

Dear Parent,

St. Mary's utilizes the telephone and e-mail broadcast system called SchoolMessenger. This system enables the school to notify all students and parents by phone of an emergency or unplanned event that causes early dismissal, school cancellation or late start. The service is also used to communicate via phone and/or e-mail general announcements, reminders, and other information important to the members of the St. Mary's community.

When used, the service will call all phone numbers in our contact lists and will deliver a recorded message from a school administrator. The service will deliver the message to both live answer and answering machines. No answers and busy signals will be automatically retried twice in fifteen-minute intervals after the initial call.

In an important effort to make the best and most accurate use of the SchoolMessenger Instant Parent Contact system, we are asking that you fill out the following Information Form with the necessary information. Because many students have their own phones and e-mail addresses, they may also be included in the Contact System.

*Please consider these numbers carefully and make an effort to keep us informed as soon as possible if any number changes for any reason.*

**PLEASE NOTE:** All information and contact numbers are strictly secure and confidential and are only used for the purposes described.

If you have any questions, please contact St. Mary's High School at 683-4824.

**Chromebooks**

Chromebooks are assigned to individual students in the same manner as textbooks and remain the property of St. Mary's High School until graduation. Upon graduation, if all obligations are satisfied, the assigned Chromebook will be gifted to the student. Use of individual Chromebooks gives students a 1 to 1 learning environment and provides the opportunity to enhance each student's overall learning experience. Utilizing the Chromebooks at St. Mary's High School gives students the access to learn anywhere, anytime – both in school and off campus. This 1 to 1 personalized learning also narrows the digital divide between students and promotes responsible use of today's ever-changing technologies.

All Chromebooks are subject to the same responsible use guidelines as all other St. Mary's High School electronic devices. All files, documents and books installed on a student's Chromebook by St. Mary's High School remain the property of the school. We reserve the right to confiscate and search a student's Chromebook to ensure compliance with the Responsible Use Policy.

### **Student Responsibilities**

1. Never drop the Chromebook or place heavy objects (books, laptops, etc.) on top of the Chromebook.
2. In the event that a Chromebook is damaged, the user must report it immediately to Mr. Junik. Failure to do so may result in the user being responsible for a full replacement charge.
3. Only a soft cloth or approved laptop screen cleaning solution is to be used to clean the Chromebook's screen.
4. Do not subject the Chromebook to extreme heat or cold. Do not store in vehicles.
5. The Chromebook is required to be at school every day, fully charged. Students who fail to bring a completely charged Chromebook to school will be considered unprepared. Loaner Chromebooks are not available to unprepared students.
6. If a Chromebook is left at home or is not charge, the student remains responsible for completing all coursework as if he had use of his Chromebook. Repeat offenses will be referred to the Dean of Students.
7. Loaner Chromebooks will be available to students when necessary through approval of Mr. Junik.
  - a. Chromebooks can be loaned until a solution is found.
  - b. Chromebooks kept beyond the agreed upon due date will be assessed a \$500.00 fee.
8. Malfunctions or technical issues are not acceptable excuses for failing to complete an assignment. Chromebooks will be available for sign out during normal hours should yours become unusable.
9. Backing up your work is very important. Doing so will safeguard all files, documents and applications. Items deleted from the Chromebook cannot be restored, so back up must be done regularly.
10. Preloaded apps and apps required for a student's current class may not be deleted and must be updated periodically.
11. Memory space is limited. Academic content takes precedence over personal files and apps. In the case of memory space conflict, personal files/apps must be removed at the student's expense.
12. Non-educational content is for personal use only and should not be shared in any manner, audio or visual, with other students.
13. The volume is to remain on mute unless headphones are attached and/or permission is obtained from the teacher.
14. Students may not use the recording capabilities, audio or video, of the Chromebook to record individuals or class lectures without all parties' express written consent.
15. Using tethering or the cellular capability of the Chromebook to circumvent the systems in place is prohibited.
16. The whereabouts of the Chromebook should be known at all times. It is the student's responsibility to keep his or her Chromebook safe and secure.
17. Chromebooks belonging to other students are not to be tampered with in any manner.
18. If a Chromebook is found unattended, it should be given to the nearest faculty/staff member.

### **Lost, Damaged or Stolen Chromebook**

1. If the Chromebook is damaged, you must report it immediately. If damage is not reported and remedied immediately, or the damage is so severe that it cannot be repaired, the student and family will be charged the full replacement cost of the Chromebook.
2. St. Mary's High School is the sole arbiter of whether a Chromebook has been damaged due to accident or abuse. In cases of abuse, the student's family will be liable for the full replacement cost of the Chromebook.
  - a. Some Examples of Abuse;
    - i. Using a Chromebook that has visible damage to the screen
    - ii. Gross physical damage to the charging port of a Chromebook by the insertion of anything except an approved charging or data cable
    - iii. Any attempt to repair a broken Chromebook by the student or any person or organization outside of St. Mary's High School
3. If the Chromebook is lost or you suspect it has been stolen, please report this to Mr. Junik immediately.
4. If you require the serial number, password information, email changes or other sensitive information about your account, you must come to Mr. Junik.
5. The student is responsible for the cost of replacing a Chromebook that is lost, stolen or damaged.

**Consequences and Due Process**

The student's use of the network and Internet is a privilege, not a right. Violations of the St. Mary's High School Responsible Usage Policy will be referred to the Dean of Student's office. Consequences for violations of this policy will be left to the discretion of the Dean of Students. Upon request, parents may view any materials or printouts related to the violation, although the Dean's office reserves the right to send material home without the request of the parents as well. The purpose of parental review is intended to be a tool to inform parents and to assist them in the guidance of their children, not as an appeal process. Violators of the Responsible Usage Policy are liable for suspension or mandatory withdrawal.

**Confidentiality and Expectation of Privacy**

St. Mary's High School will make every reasonable attempt to respect the privacy of the users of its property in the form of the St. Mary's High School Network and any attached devices and/or systems; however, if an employee witnesses a computing abuse, notices an unusual degradation of service or other aberrant behavior on the system, network, or server for which the school is responsible; or receives a complaint of computing abuse or degradation of service, the school will investigate and take steps to maintain the integrity of the system(s). If the school has evidence that finds a user's computing activity as the probable source of a problem or abuse under investigation, the school must weigh the potential danger to the system and its users against the confidentiality of that user's information, for investigative purposes.

A user may not intercept transmitted information on the network. This violation is a serious invasion of another user's privacy. Users should also be aware that unauthorized users of the system, or authorized users suspected of violating system integrity, are not afforded this same protection from invasion of their privacy. This means that the school can and will examine transmissions under these circumstances to maintain the integrity and security of any school owned systems.

**Limitation of Liability**

St. Mary's High School makes no guarantee that the functions or the services provided by or through the network will be error-free or without defect. Though access to inappropriate material via the St. Mary's High School network is actively discouraged, it is impossible to filter the Internet completely. Therefore, St. Mary's High School will not be held responsible for a student's misuse of access privileges or exposure to inappropriate material. The school will not be responsible for financial obligations arising through unauthorized use of the network. The parents of the student can be held financially responsible for any harm to the network as a result of intentional misuse or negligence.

This document is subject to change. It is the student's responsibility to remain aware of the regulations contained herein.

This policy is available in its most current form on the school's website.

**Return this page at your Chromebook pickup day.**

## PHYSICAL REQUIREMENTS FOR ALL FRESHMAN, JUNIORS, INCOMING NEW STUDENTS & FALL ATHLETES 2024-2025

### **Required NYS School Health Examination (Physical)**

**New York State Law requires that all 9th graders, 11th graders, and Incoming New Students have a health examination (physical).** A health examination that was completed anytime on or after September 1, 2023 would fulfill the physical requirement for the 2024-2025 school year. **Please submit a copy of your child's health examination (physical) to the school nurse as soon as it is completed.**

### **Health Examinations Required Yearly for Interscholastic Sports**

**New York State Law also requires a health examination (physical) annually for EVERY student that will be participating in an interscholastic (school) sport.** Student Athletes must have a current physical on file in the Health Office for each sport, each season, and each year they would like to participate. Physicals for a school sport must be received **PRIOR** to the first day of tryouts for that sport, **no exceptions.** Physicals are valid for one year and through the end of the month when it was last performed. For example: If tryouts for a Fall sport start on August 22, 2024, a physical completed anytime after August 1, 2023 would be considered valid and would allow the athlete to attend tryouts for that particular season. Of course, a new physical would be required as soon as possible following that expiration date. **Please submit a copy of your child's health examination (physical) to the school nurse as soon as it is completed.**

### **Signing Up for a Fall Sport**

Fall sport sign ups will take place in May. Students will receive an email with a link to sign up for a Fall Sport. This email will also include an attached Interval Health History Form. New York State requires an Interval Health History Form completed before the start of each sport season. **The Interval Health History Form cannot be completed or submitted before August 1, 2024.**

-If a copy of your child's current physical was already submitted to the Health Office, there is no need to supply an additional copy.

-If you have a current completed Health Examination Form at home that has not already been submitted to the health office, please do not wait until September to submit it, please send it into school as soon as possible. Health Examination Forms can be submitted to the school nurse in person, emailed [thangen@smhlancers.org](mailto:thangen@smhlancers.org), or faxed (716) 683-4958.

-If you are unable to have your child evaluated by their private physician, a physical is offered at no charge by one of the Lancaster School District Providers on Wednesday, May 29th at 2:45 p.m. at Lancaster High School in the Health Office. You must sign up for a school physical in order to attend. Please contact Mrs. Hangen, the school nurse at St. Mary's High School ([thangen@smhlancers.org](mailto:thangen@smhlancers.org) or 716-683-4824, ext. 321) to sign up for a school physical.

-Health Examination (physical) Forms and Interval Health History Forms are available on the school's website, [www.smhlancers.org](http://www.smhlancers.org), under the "Lancer Info" tab, in the list of Health Forms. Copies of both forms are also available for you to pick up in the Main Office.

-Please keep in mind that the nurse's office is closed during the summer months with the exception of a few days prior to the start of the Fall Sports Season.

## MEDICATION DELIVERY INFORMATION

Health care provider and parent permission is needed for both prescription and over the counter (OTC) medications used at school or school-sponsored activities. Please bring medications in their original labeled prescription or over the counter bottles/packaging.

Medication forms are available on the school's website ([Medication Order Form](#)) or may be obtained from the School Health Office.

### **Self-Carry and Use of Medications**

If your child's healthcare provider decides your child can carry and use their diabetes, asthma, or epinephrine auto-injector medication independently they must put it in writing (attest) that your child can do so safely. Your permission is also required. We can provide the attestation form upon request.

### **Emergency Care Plans and Asthma Action Plans (ECP's)**

Emergency Care Plans help school staff safely care for your children. If your health care provider writes medication orders for life-threatening allergies, asthma and seizure disorders on the ECP, a separate medication form is not needed.

### **Medication Drop Off**

An adult should bring the medications to school unless your student has a health care provider attestation to carry and use their medication independently. If you need to make special arrangements to drop off medication, please call the school health office.

Thank you in advance for your cooperation.

## Dental Health Certificate- Optional

**Parent/Guardian:** New York State law (Chapter 281) permits schools to request an oral health assessment at the same time a health examination is required. Your child may have a dental check-up during this school year to assess his/her fitness to attend school. Please complete Section 1 and take the form to your registered dentist or registered dental hygienist for an assessment. If your child had a dental check-up before he/she started the school, ask your dentist/dental hygienist to fill out Section 2. Return the completed form to the school's medical director or school nurse as soon as possible.

### Section 1. To be completed by Parent or Guardian (Please Print)

I understand that by signing this form I am consenting for the child named above to receive a basic oral health assessment. I understand this assessment is only a limited means of evaluation to assess the student's dental health, and I would need to secure the services of a dentist in order for my child to receive a complete dental examination with x-rays if necessary to maintain good oral health.

I also understand that receiving this preliminary oral health assessment does not establish any new, ongoing or continuing doctor-patient relationship. Further, I will not hold the dentist or those performing this assessment responsible for the consequences or results should I choose NOT to follow the recommendations listed below.

# DRESS CODE GUIDELINES

Our philosophy in creating and adhering to the St. Mary's dress code, is to teach our students to understand the appropriateness of what they are wearing in relation to the situation they are in. It is to teach self-discipline associated with personal hygiene and grooming. It is to encourage students to take pride in their personal appearance. Although changes in trends are considered, the overall goal of the dress code will remain. The final arbiter of appropriate dress will be at the discretion of the school's Administration.

The following dress code is in effect from the beginning of first period until dismissal. Teachers will check dress code during attendance and issues will be addressed directly with the student. If a student refuses to correct the issue identified, the student will be sent to the Discipline Office. Students are expected to be dressed in clean, properly sized, well-maintained clothing. No students will be allowed to attend class out of dress code. This dress code is also in effect during January and June exams, unless otherwise stated.

*For the purpose of the Dress Code, St. Mary's High School colors are identified as Navy Blue, Carolina/Light Blue and White.*

Ladies and Gentlemen must always avoid clothing that is oversized, poorly fitting or in disrepair. Open toed shoes, slides, flip-flops, work boots, army boots, slippers, or any shoe resembling slippers are prohibited.

Below are examples of the type of dress expected on specific days.

## Regular Uniform

### *Ladies*
